We're named one of the TOP 10 Great Neighborhoods in America!

The American Planning Association designated our neighborhood as one of 10 Great Neighborhoods for 2010 under the organization's **Great Places in America** program. It is the first APA

Great Places in America designation in Indiana.

From the APA website: "Places are selected annually and represent the gold standard in terms of having a true sense of place, cultural and historical interest, community involvement, and a vision for tomorrow."

What they said about us:

"Long recognized for its heritage and architecture, Ninth Street Hill is known today as much for its community activism as its historic attributes. Residents here believe that preservation is the result of not only bricks-and-mortar maintenance, but vision, enthusiasm, and teamwork."

The students learned about Queen Anne architecture at the Nargis and saw a 1957 bomb shelter in Tracy's Mid-Century Modern home.
- Hooray to **MADDIE MUELLER** who set another PR in XC. (Translation: "Personal Record" in "Cross Country.")
- Congratulations to **WILL PAGET** for a great senior-year soccer season. (Don't we have some more soccer players in the 'hood?)

- Thank you to **RON DAVIS, AL JONES, DAVE LAHR, and JEFF BOSWELL** for working like rented mules, cleaning-up after the "Eat-in-the-Street" pot-luck picnic. Guys - yer the best!

PUT THE GARDEN TO BED NOV. 6 - 9:00a

Meet at 9:00a on Saturday, November 6 to prepare the garden for the winter. We will rake the leaves, pull up the annuals, cut back the perennials, and trim large branches. Please bring gloves, a leaf rake, and a good spirit. Dress warmly, and if you wish bring a hand trowel, pruning shears, shovel, and cutters for the larger branches. All material will be put into Dave Lahr's truck to take to the city's natural disposal area.

There is a Purdue home game that Saturday, but the starting time has not been announced. If you have tickets for that game, come at 9 and stay as long as you can. Many hands make for a quicker project!

Questions? Dave Lahr: 742-6905 or lahrandlahr@aol.com

LEAVES! Update.....

NO, you don't have to BAG LEAVES and YES, you have to bag leaves. (huh?)

In the **FALL**, the city leaf trucks will pick up **UNBAGGED LEAVES** you have raked to the curb. They are running the routes right now!

But, in the **SPRING & SUMMER**, you must bag your leaves. Makes sense - it's more environmentally and fiscally responsible to run those big trucks only at high-leaf time. Questions? Call the Street Department at 807-1411.

ANOTHER LEAF ALERT -- we have many pedestrians in our neighborhood, and we have many parkway trees which drop many leaves on the sidewalks. Plu-eeze keep your sidewalk clear of leaves! Why? A little rain on leaves or a rough sidewalk hidden by leaves, and pedestrians have been known to do triple half-gainers on sidewalks - splat - not good.
